Dear Brothers & Sisters In Christ,

The dates for the 28th annual Sovereign Grace Conference of the Victory Baptist Church of Kansas City, Missouri have been set for August 4-6, 2009. I want to invite each of you along with the members of your church to attend this year. The theme of the conference will be Biblical Creation. We have enlisted some outstanding men of God to preach this year. Their announced subjects have already stirred a lot of interest and we hope they will interest you to the point that you will plan to come and enjoy and profit from the messages.

The preachers and the titles of their messages will be as follows:

- Paul Brown: *Does True Science Conflict with God's Word?* and *Miscellaneous Matters*
- Dan Cozart: *Creation & Faith*, Hebrews 11:3 and *Christ & Creation*
- Roger Dohrer: *Why Evolution Is Wrong* and *Was Charles Darwin a Christian?*
- Bill Lee: *The Authority of Scripture in the Matter of Origins* and *The Origin of Man*
- J.C. Settlemoir: *Attempts at Compromise Between Evolution & Creation* and *The Wonders of Creation*
- Royce Smith: *How Long Did Creation Take?* and *Origins & Morality*

Please pray about coming and bringing your church members and friends with you. The church will reserve a block of motel rooms that will be available at a discount to those who notify me at least two weeks prior to the conference. If you have questions please feel free to contact me by phone at 816-761-7184, by e-mail at justicela@juno.com or by U.S. mail at 9601 Blue Ridge Extension, Kansas City, MO 64134.
